Greetings to the ADAPT Partners and Stakeholders

It is my pleasure to inform you that the ADAPT Board of Directors has hired Glen Ricketts as our new CEO beginning September 1, 2021. As you know, Glen comes to this role with a great deal of experience from his 32 years at ADAPT, most recently as Director of Operations. Glen brings to this role dedication to ADAPT and its programs; strong relationships with staff, partners and stakeholders; a vision for continued growth and development of ADAPT and its partnerships; effective leadership within the agency, with partners and the OHTs in responding to the needs of clients; and integrity in all he does.

Please join us in congratulating Glen.

As you know, Ian Stewart is retiring after 41 years with ADAPT as CEO. Ian started when there were six employees and one adult alcohol addictions program. Ian has led the agency by advocating for service expansion to meet the diverse needs of clients, resulting currently 11 programs and over 70 staff. He should be proud of the work that he has done and is leaving an agency that has become a leader in addictions in Ontario. We will miss Ian.

We congratulate Ian on his retirement and thank him for his vision, leadership and commitment to ADAPT and its clients over these many years.

Sincerely,

Marilyn MacLennan

ADAPT Board Chair
