

ADAPT GROUPS

Coping Skills Groups

Learn and practice strategies to maintain abstinence and manage triggers.

DBT Group

Build emotional regulation and mindfulness skills to improve daily functioning.

Family Group

Connect with others and gain tools to support loved ones facing addiction.

Foundations for Families

Support and education for families affected by a loved one's substance use.

Foundations for Making Change

Learn practical strategies for managing substance use and building healthier habits.

Gaming Workshops (Adult & Youth)

Build balance and awareness around gaming habits and screen time.

Harm Reduction Drop-In

Explore safer substance use practices in a welcoming, non-judgmental space.

Health & Hope I & II

Explore mental health and addiction topics with tools for recovery and resilience.

Overspending Workshops

Identify spending triggers and learn healthier coping strategies.

Peer Connections

Drop-in recovery group led by peers focused on abstinence

Recovery In Motion

Aftercare support for maintaining recovery and navigating life after treatment.

Problem Gambling & Behavioural Groups

Understand gambling behaviors and build tools for financial and emotional recovery.

Problem Gambling and Behavioural Aftercare Groups

Stay accountable and supported in your recovery journey.

Youth Program Groups

Educational groups supporting youth with substance use and mental health.
